

VSPOne® 50% Off Second Pair Program

**Take 50% off
a second pair
purchased within a
30-day period.**

Start saving today!

VSPOne offers you more ways to meet your patients needs for a second pair of glasses.

- Take 50% off a second pair purchased within a 30-day period for your VSP® and private-pay patients.
- Recommend a second pair for computer use, sun, sports, or even to make a new fashion statement.

Ordering is easy.

Place your orders as you normally do. Be sure to include the following information in the box labeled special instructions.

- The phrase **“50 percent off second pair”**
- The order number for the first pair (VSP authorization number or private-pay laboratory order number)

Terms and Conditions

- Discount applies to lenses and lens options only. The 50% off second pair policy does not apply to frames.
- Second-pair lenses must include either anti-reflective, polarized, and/or photochromic lenses.
- To qualify for the policy discount, both pairs must be for the same prescription, as follows:

First Pair: single vision; **Second Pair:** single vision

First Pair: progressive; **Second Pair:** progressive, computer, or single vision

- First and second-pair orders must be placed within a 30-day period to qualify for the discount.
- When the first pair is covered under the patient's VSP benefits, the discount will apply to the second pair of lenses (the private-pay pair).
- When both pairs are private-pay orders, the discount will apply to the lower-priced lenses.
- All other discounts and special pricing arrangements are excluded from this program.
- The total discount may not exceed 50% off the list price.
- Discount will be applied to the second pair's job invoice.
- Orders must be placed through VSPOne Technology Centers.
